P.O. Box 125
Chelsea,3196

SUBJECT: ROTOR REPAIR

DATE: 6 August 1992

We are extremely happy with the reclamation work performed recently on the Rotor and Shaft of one of our progressive cavity pumps from the sludge delivery system at our plant at Carrum. In particular we wish to congratulate you on the prompt attention and good service we received from your representatives and it is hoped that this kind of relation can continue in the future.

Yours Sincerely

Don Morrison
